

Wireless Covert Electrical Box with B/W Hidden Camera

Blends in perfectly in any industrial, warehouse or outdoor environment

The hidden camera is nearly undetectable in our wireless electrical junction box and blends in perfectly in any industrial, warehouse or outdoor environment. The monochrome hidden camera is positioned to give you a commanding view without being detected. It features 420 lines of resolution, a 0.05 lux low light rating and operates on 300 mA at 12 volts DC. You can easily customize your hidden electrical box camera to suit your application needs with one of our available upgrades designed to fit your security needs. The device comes with a 2-year warranty and 30 day money back guarantee.
